## PROFESSIONAL SUMMARY

FP&A and strategic finance leader with an Oxford MBA and 9+ years of experience owning corporate planning, forecasting, financial modeling, board reporting, M&A analysis, and multi-entity reporting across venture-backed technology, manufacturing, homebuilding, automotive, and real estate. Built driver-based three-statement models, executive dashboards, rolling forecasts, ROI/TCO models, and financial cases supporting M&A transactions, customer deals, ERP migrations, and investor reporting.

**Expertise:** Strategic FP&A | Driver-Based Forecasting | Board Reporting | M&A Finance | Multi-Entity Reporting | Executive Decision Support

## PROFESSIONAL EXPERIENCE

**Trackonomy Systems | Remote** **Jun 2024 - Present**  
**FP&A Manager (Full-Time, Jul 2025 - Present) | FP&A Consultant (Jun 2024 - Jul 2025)**

FP&A leader for a venture-backed IoT and asset-intelligence platform with US, Mexico, Estonia, and India entities; converted from consultant to full-time FP&A Manager in July 2025.

- Own the corporate three-statement model, rolling forecast, workforce plan, and customer-contract revenue waterfalls across four entities.
- Led finance workstreams for two M&A transactions, including post-close integration, acquisition diligence, five-year forecast, synergy model, CEO briefing, and board memo.
- Built CFO Cockpit and factory capacity/unit-economics model; automated QBO-to-Python reporting pipeline for weekly executive snapshots.
- Created ROI, TCO, pricing, and customer-facing financial models supporting \$10M+ of signed enterprise contracts and pilots.

**SharpSight Finance | Littleton, CO** **Jan 2024 - Jun 2025**  
**Founder & Financial Consultant**

Built and led a fractional FP&A consulting practice serving manufacturing, SaaS, real estate, and non-profit clients.

- Designed SIOF and planning processes for a global roadside-safety manufacturer, integrating demand planning, inventory controls, workforce planning, and KPI reporting.
- Built Power BI dashboards for production, cost, margin, and operating KPI reporting; developed scenario and unit-economics models supporting 5x growth projections and investor diligence.
- Delivered custom real estate valuation and acquisition models under compressed timelines, expanding into a reusable pipeline valuation tool.
- Redesigned non-profit AP workflow from manual check-writing to automated process, saving the CFO approximately 12 hours per check run.

**McStain Neighborhoods | Denver, CO** **Jun 2022 - Jan 2024**  
**Finance Manager**

Sole FP&A leader for a \$50M homebuilder. Owned planning, forecasting, reporting, M&A finance, and ERP implementation through a \$30M transaction.

- Directed FP&A, including annual operating plan, rolling forecasts, monthly BvA, cash-flow forecasting, balance sheet planning, and executive reporting.
- Led financial modeling and M&A diligence for a \$30M company sale and equity-backed spin-off; delivered transaction-ready data room and Q&A materials.
- Owned bank and investor reporting, including GAAP-compliant packages supporting debt-covenant compliance, lender communication, and fundraising.
- Served as finance owner for ERP implementation, improving reporting reliability, reducing manual reconciliations, and scaling finance infrastructure.

**IMI Precision Engineering | LON: IMI | Littleton, CO** **Mar 2021 - Jun 2022**  
**Senior Financial Analyst**

Finance lead for an 8-site, \$250M global business unit at an LSE-listed precision engineering parent.

- Built the company's first structured bottom-up financial model across 8 sites and a \$250M revenue base, replacing a top-down planning process.
- Founded and led Margin Enhancement program, delivering \$1M+ in incremental operating profit in six months through SKU-level pricing, value engineering, and contribution-margin analysis.
- Standardized forecasting and reporting across 6 manufacturing and 2 administrative sites in a multi-entity, multi-currency environment.
- Redesigned monthly Operational Performance Review, aligning KPIs, targets, and variance commentary across plant and senior leadership.

**Superior Industries, Inc. | NYSE: SUP | Southfield, MI**  
**Senior Financial Analyst**

**Oct 2019 - Mar 2021**

Corporate FP&A for a \$1.5B NYSE-listed automotive supplier. Rebuilt the corporate model supporting monthly close, AOP, and earnings cycle.

- Managed consolidated corporate FP&A, including AOP, rolling forecasts, monthly executive reporting, and business-unit variance analysis.
- Rebuilt driver-based three-statement model, compressing monthly close from 2 days to under 1 hour and improving reporting reliability.
- Led working-capital analysis across AR, AP, and inventory, reducing annual cash-flow plug from \$20M+ to under \$5M.
- Supported public-company reporting, including 10-K / 10-Q sections, earnings-call materials, and board presentations.

**Stout Risius Ross, LLC | Royal Oak, MI**  
**Analyst**

**Jun 2016 - Aug 2018**

Valuation analyst ranked #1 firm-wide in business origination for FY2017.

- Built valuation models and appraisal reports using DCF, sales comparison, and income approaches for office, industrial, and residential properties.
- Ranked #1 analyst firm-wide in business origination, securing a \$100M+ skyscraper valuation engagement.
